

# Small Cap Hot Sheet

(Previously Aggressive Inv.)

## Description:

With this direct mail generated list, you'll have access to aggressive investors who actively work to expand their portfolios.

Individuals on the **Small Cap Hot Sheet List** don't mind taking on greater risk for their chance at greater rewards. They typically invest \$3,000 - \$5,000 in low-priced small cap stocks and the goal of earning 300% - 500% or more returns.

They are motivated researchers who stay on top of market trends and seek out strategies for wealth accumulation and investment growth.

That's why these high net worth professionals dive into sophisticated investments that novices shy away from, including commodity options, futures, over-the-counter stocks, direct participation programs, IPOs, pink sheets and penny stocks.

The Small Cap Hot Sheet list is built from direct mail, online information requests, shareholder lists and stockholder lists.
